The Product Realization Company

PLEXUS MANUFACTURING SOLUTIONS

Certificate of Compliance

Plexus Corp. hereby certifies that all articles furnished in this shipment are in compliance with all requirements defined in the accepted purchase order, device master record (DMR) documentation and applicable specifications and drawings. All articles furnished were made in accordance with ISO 13485 Quality Systems Requirements and, where applicable, 21 CFR Section 820. The associated data and documentation has been reviewed and approved.

Restriction of hazardous Substances (RoHS) – Yes

Plexus hereby declares that all processes and manufacturing process materials utilized to assemble and test the product referenced herein are in compliance with the requirements of the European Union Restriction on the Use of Certain Hazardous Substances (Directive 2011/65/EU or “RoHS”), except as otherwise provided in the customer manufacturing specifications or agreed in writing by Plexus and customer.

Additionally, Plexus declares that it has produced materials used in the assembly and test of the product in compliance with the customer supplied bill of materials, approved manufacturer’s list and other written and agreed-to documentation.

This certification is subject to Plexus’ policy regarding RoHS that has been or will be delivered to customer separately.

Date of issue:
yyyy-mm-dd

2021-07-20

Name of Product:

Sample Prep & Extraction Module

Catalog number:

S4039-967

GTIN:

15415219000352 (Sample Prep & Extraction Module)

Serial number:

03426

Manufacturing date:
yyyy-mm-dd

2021-07-20

Manufactured by:

PLEXUS CORP (UK) LTD
Pinnacle Hill Industrial Estate,
KELSO TD5 8XX
GB

PLEXUS QUALITY ASSURANCE AUTHORISATION

I have verified that shipped product revision level and quantity are matching the information in this certificate.
